

## **Diesel Truck Mechanic – Med/Heavy**

Dynamic, customer focused, rapidly growing, fleet maintenance and repair company is in need of Diesel Mechanic Technicians with at least 5 years experienced in service department operations for medium and heavy trucks. The rapid growth of our company has created the demand for a self-starter who can step in and make an impact on productivity. This dynamic company provides an exciting, fun and fast paced environment to work in as well as competitive base compensation and performance incentives.

### **Diesel Mechanic Responsibilities:**

- Corrective and preventative maintenance on medium and heavy trucks (semi's).
- Build, rebuild and repair all diesel engines and transmissions, as may be required in the department assigned to.
- Diagnose any mechanical, electrical, other breakdown or failure based on experience and use of diagnostic computer equipment.
- Troubleshoot and perform failure analysis of the components parts and systems.
- Inspect equipment used
- Read precision instruments:
  - Micrometers, dial indicators, bored gauges, etc.
- When applicable use welding skills.
- Other duties may be assigned

### **Job Requirements**

The successful diesel mechanic will be customer service oriented. Punctuality is required as well as effective communication skills (verbal, reading and writing). Additional requirements include:

- Bi-lingual preferred, English as a first language and Spanish a plus

#### **Required:**

- Equivalent of a high school diploma or GED & 2 years of related equipment maintenance and repair
- Must furnish own tools.
- Valid drive license, CDL preferred

#### **Preferred:**

- Mechanical or trade school certificate
- ASE certificate
- Welding and/or fabrication skills and/or experience

### **Benefits**

- Stable and growing organization
- Competitive weekly pay
- Incentive Program
- Laundered Uniforms after successful completion of 90-day probationary period
- Professional, positive and people-centered work environment
- Paid holidays (6); paid vacation days

Our company is an equal employment opportunity company with a drug free work place. In addition to our competitive wages and incentives, we provide the opportunity to become an integral part of the continued growth of the organization, and promotion opportunities. We hire only the best and the brightest, if you consider yourself one of the best diesel mechanics in the NJ/NYC area, please forward resume and compensation requirements to Human Resources.
